Please read the following document carefully.

The major costs involved in running a Junior Football Club are incurred before the season starts. As with most Clubs, Lostock Rangers JFC is reliant upon corporate sponsorship and the timely collection of player subscriptions to pay for the Clubs expenditure.

The Club have agreed the following subscription payments shall apply for the 2011/12 season.

Fees

In an effort to streamline the subscription charges and the collection process the Club committee have agreed to the following subscription fees for 2011/12:

- Open Age Teams £150 per player
- Veterans Team (age 35+) £100 per player

Subscriptions are not refundable and failure to pay will result in the suspension of the player with the Club and league until payments are made.

Benefits

The annual player subscription fee enables the Club to provide playing kits, training materials, pay for Insurance, training courses (for managers and coaches at the discretion of the club committee), CRB checks, affiliation fees and much more.

For 2011/12, the subscription fee includes reasonable training pitch costs but not the cost of an external coach which the team can request, but would have to be paid for by additional payments.

- Players know exactly when payments are due.
- The Club will issue email and SMS messages to players before the due dates
- Fees are paid by cheque to the treasurer (do not give cash to managers)
- Team managers/coaches can concentrate on running the team rather than administrative tasks.

Each player will have a playing kit comprising shirt, shorts and socks. Raincoats are available, but are not part of the default kit. Please note that playing kits remain the property of Lostock Rangers JFC and must be returned at the end of the season or when a player leaves the club.

Players Fines

Senior players are responsible for the fines that they incur and should provide payment to the club treasurer within 3 days of being notified either in writing (includes SMS and email) or verbally through the team manager. Failure to pay fines may result in a player or managers suspension from the club and league.

Please complete the subscription page of this form and return it with the relevant payment to the following address:
